

Are you a boy  
who loves to sing?  
... Do you know a boy  
who loves to sing?

St. James' Episcopal Church in downtown Texarkana is seeking boys with unchanged voices, third grade/8 years of age and above, to form a new and unique BOYCHOIR. Following in a 900-year tradition of singing in British Cathedrals, our boys will be thoroughly trained according to those same standards, to become professional musicians. At the appropriate time in the formation process, they will be joined by adult men singing alto, tenor and bass, to form a full choral ensemble. In addition to musical and cultural education, performance opportunities, and summer music

camp, all boy choristers will receive a generous monthly stipend to reward their time, effort, and talent. No prior experience or particular religious affiliation is required.
