

# ST. JAMES EPISCOPAL CHURCH

TEXARKANA, TEXAS

OPUS 2238 • 2 MANUALS, 30 RANKS

THE REUTER ORGAN COMPANY

*St. James Episcopal Church is located at the corner of Fifth and Olive streets in Texarkana. The stately brick building, refurbished and improved over the years, was preceded by wooden structures on the same site – land given by the Texas and Pacific Railroad to founding members in 1877. Reuter Opus 2238 incorporates five ranks of pipes from the previous organ, which were completely refurbished and revoiced to take their place in the new instrument. With commanding reeds and a wealth of solo and accompanimental voices, this organ is well-suited to support the Anglo-Catholic worship traditions at this historic parish.*
